

WHEELCHAIR CUSHION PROGRAM

Buy in Volume and Save Money

Adding Comfort to Your Care

EMP

Essential Medical Products

The **Essential Wheelchair Cushion** is a comfortable, economical choice for wheelchair cushioning and is now available at a discounted price when ordered in high volumes.

This highly resilient cushion provides a simple, but stable foundation for positioning, and is ideal for short term use. The incontinent nylon cover is non-allergenic, bacteria resistant and wipes clean to help prevent cross infections. A non-skid bottom prevents cushion travel. A specially priced, additional cover is available at time of purchase.

Standard Sizes (Thickness 3"):

(Cushions must be ordered in lots of 5 and can be any combination of sizes. Custom sizes are not available.)

- SIZE
- 16" x 16"
 - 16" x 18"
 - 18" x 16"
 - 18" x 18"
 - 18" x 20"
 - 20" x 18"
 - 20" x 16"

**This Month's Special
\$50/cushion**
